

Strategic Sourcing Specialist

Summary:

Precision Aircraft Solutions Consolidated is an international leader in the design and execution of aircraft cargo conversions and special mission modifications, component and mod kit manufacturing, STC and AMOC certification, and continued airworthiness support. The dedication to our customers and creative innovation by our employees is evidenced by our core values of ownership, motivation, respect, honesty, and adaptability.

At Precision, the Strategic Sourcing Specialist will help improve the sourcing processes in order to minimize spending costs and increase profitability. This position will negotiate with suppliers to obtain good, materials and services at competitive prices.

Benefits include two health insurance options (one 100% employer paid for the employee) and PTO packages pro-rated from date of hire; benefits are available first of the month following 30 days of regular full-time continuous employment.)
